Mfg. Household Plastic Containers

Our claim to success is hallmarked by the offered quality products that gained us huge recognizance for its eco friendly construction, light weight, perfect finish, excellent air sealing properties, and high durability.

Our efforts are determined with the objective of industrial leadership that equips our team members to explore innovative product designs. Our dedication to bring value for money products reflects in our firm enthusiasm to bring forth a perfect match of style and durability. And, to achieve this, we have developed modernized R&D centers and cutting edge manufacturing facilities. Furthermore, our proven business models help us to function with utmost dedication to the end users' anticipation. We take pride of our capability to address the long unmet needs of storing food items in a stylish manner, and owe a gratitude to the allied support of industry leading vendors and logistics companies, whose dedication enlarged our commercial footprints.

Our leader and mentor **Mr. Bharatbhai Mangroliya** is strategizing passion in our day to day business activities. His visionary approach gives us directions towards a strategic planning to become the partner of choice for a huge client base.

Uma Krupa Plast was established in the year **2013** as a professionally managed Manufacturer firm specializing in premium grade Plastic Containers. Today, we endeavor to revolutionize the industry by fabricating a wide gamut of quality products, which includes Round Food Grade Container, Airtight Container, Pharmaceutical Packing Container etc.
