

CATALOGUE '22

It's about time you switched to a new **sparky!**

company profile

Founded in the year 2016, NEXT INDUSTRIES is count among the topmost companies in the market. Location of our company is Rajkot, GUJARAT (India). We are the foremost manufacturer of Electrical Accessories. The quality of our product is precisely examined on well-defined norms before they are been supplied into the market. The whole range is precisely manufactured by our experts, keeping the upcoming needs and preferences of customers in mind.

mission statement

Next Industries is committed to providing the highest quality products, competitively priced, with services exceeding our customers expectations. We will continue to invest in facilities, systems and highly trained technical personnel providing added-value to our business relationships.

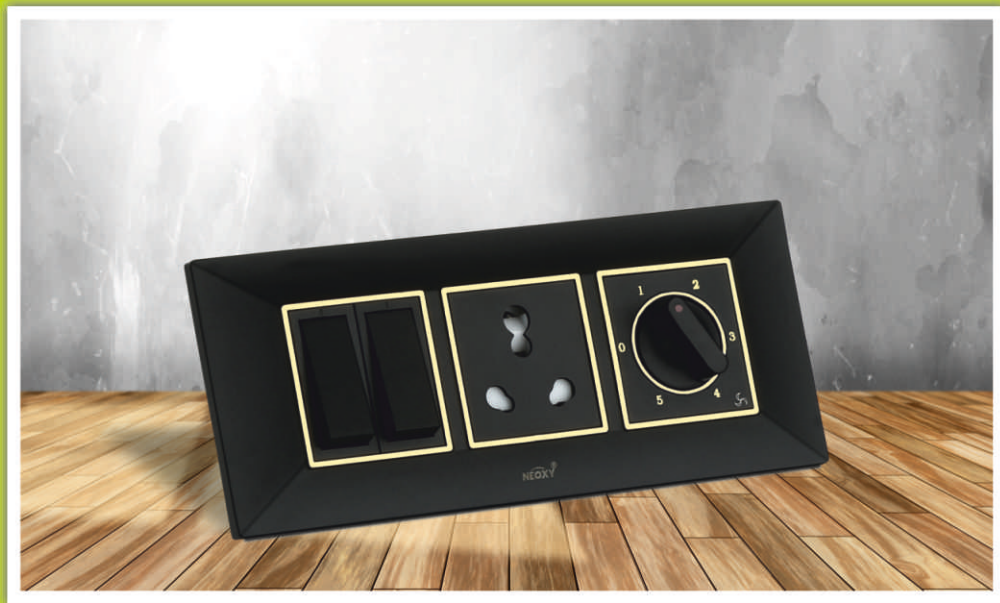

vision statement

Electrical energy is a cornerstone of our quality of life. There will be a continuing need for products and services to harness its use. Next Industries will strive to be best-in-class as a distributor of quality products and services and a responsible corporate citizen.
